## OUR VISION

Learn • Thrive • Contribute

## OUR VALUES

Curiosity • Respect • Integrity • Resilience

05/03/2020

Join us for **TWILIGHT SPORTS**,  
led by our House Captains:  
Next **FRIDAY 13 March**, starting at 5:15 pm,  
with a BBQ by Parents Group.  
Students are asked to wear house colours

Ms. Gladys Liu, M.P. for Chisholm, visited our school assembly last week. She announced the school would receive a **\$20,000 Local Schools Community Fund grant** towards completion of The Laburnum Laboratory. Gladys was impressed by the scale of The Lab project and the investment made by the school community (through Parents Group) in such a fantastic facility. The grant will allow us to complete the outdoor learning area and bring this local fund-raising project to completion.

As a result of recent **School Council Elections**, we congratulate our new or re-elected school councillors: Michael Johnson, Georgina Raudon, Tom Harper, Philip Grainger-Smith, Kathy Verbi, Michael Mottershead and Jo Braden.

School Council holds its **Annual General Meeting** on 17 March at 7 pm, followed by the first meeting of the new council. A full list of councillors will be published after that meeting.

This Friday, 6 March, is a **student-free day**. Our teachers have the privilege of working with renowned Literacy expert Diane Snowball once again, this time on Spelling. After Di guided our work on Reading over the last 2 years, with outstanding results for our students, we are thrilled to work with her again.

Our teachers have started taking their **Professional Practice Days** (PPDs). All government school teachers receive one day per term to work on a collaborative focus, with the aim of improving teaching and learning. On these days, PLC teams are released from their scheduled duties and Casual Relieving Teachers (CRTs) take their classes. Our Leading Teachers, Learning Specialists, Literacy consultant and regional staff assist teachers with this work.

## ***Dr Jodi Richardson – Anxiety to Resilience Presentation***

Thank you to the many parents and staff who attended Jodi's presentation last Thursday evening. We know that there are students in our school with diagnosed anxiety conditions, along with students who simply require some additional support at times.

Jodi shared a number of key messages, including:

- Validate your child's anxiety when it is showing rather than telling them to calm down
- Listen to your child with your full attention when they are sharing their worries and concerns
- Don't over-organise every waking moment of your child's life – down time is super important
- Help your child to move on from challenging moments by building resilience
- Talk to your child's teacher if you have concerns to develop a united approach
- Seek out the support of your GP if anxiety is impacting your family life

If you would like more information about Jodi and her work: [www.drjodirichardson.com.au](http://www.drjodirichardson.com.au)

You can find Jodi's book via her website. Don't forget to tune into our information from Parenting Ideas – much of the content is developed by Jodi.

## ***Education Sub-Committee***

Education Sub-Committee is represented by both teachers and parents and includes members from School Council. Teachers are able to provide parents with information about what is happening in the school from a teaching and learning perspective. Parents are welcome to ask questions, clarify their understanding or provide feedback on agenda items.

The first meeting for 2020 will take place next Tuesday 10<sup>th</sup> March at 7pm in the Conference Room. During this meeting, we will be looking at establishing the purpose and protocols for this group, along with looking at future items for discussion later in the year. We meet monthly and provide feedback to School Council.

If you would like to receive the agenda or minutes, please email the school office to organise this.

### BDSSA District Swimming Carnival

On Tuesday February 25th, 23 of our LPS students attended the BDSSA (Blackburn District School Sports Association) District Swimming Carnival at Monash Aquatic Centre in Glen Waverly. The students braved the cool outdoor conditions to represent our school exceptionally well with their talents and personal best achievements displayed throughout the day.

All the students competed with the right attitude and spirit and a great day was had by all students, teachers and parents involved. I would like to say a massive thank you to all the parents who helped out with supporting and supervising our wonderful students. We wouldn't be able to participate in these wonderful events without you!

### Whitehorse Division Swimming Carnival

With our school achieving such fantastic results from our District Swimming Carnival, 9 of our students were selected to represent LPS at the Division Swimming Carnival held at Aquanation in Ringwood on Monday 1st of March. I was lucky enough to attend the carnival, with all our students swimming their best. I am extremely proud to be part of our LPS community as I not only saw our students swimming with outstanding talent and grit, but the highlight was seeing all students encouraging each other to do their best.

Congratulations to all our swimmers on their outstanding attitude and personal best achievements on the day, and once again a huge thank you to our parents who supported, supervised and transported the students to and from the venue. Your support is greatly appreciated!

Finally, we extend our best wishes to Angela A who will go onto compete in the Regional Swimming Championships for the 50m breaststroke event at Aquanation Ringwood on Friday 13th of March.

## Spanish News

Hola! This term, we have been learning many different things across each year level. Our Prep students have been introduced to simple greetings, such as ***hola*** and ***adios***. In comparing English and Spanish visual texts, the Preps made some ***las arañas pequeñas*** (Incy Wincy Spiders) and have been learning the sounds of ***el alfabeto***.

Our Year 1 and 2 students have been busy learning about ***los cuerpos y las frutas*** as part of our Healthy Bodies lessons, whilst our Year 3, 4, 5 and 6 students have been viewing various texts to translate, using their knowledge of near-cognates and cognates. Do you know what the words ***atención***, ***precaución***, ***inteligente***, ***actualmente*** and ***finalmente*** mean? Ask your child to explain the answers to you!

Key vocabulary to practice this term includes:

***Ojos mirando*** (Eyes looking), ***orejas escuchando*** (ears listening), ***levanta tu mano*** (raise your hand), ***piernas cruzadas*** (legs crossed), ***cara al frente*** (face to the front) and ***manos en tus rodillas*** (hands in your lap).

It has been great seeing students return to ***Spanish Club (Tuesdays at lunchtime from 11.10-11.40am)*** after a short break and we hope to see some new faces this year! It's a great opportunity for everyone to explore all things Spanish!

Our Spanish Captains are holding a ***competition to create a Spanish Club poster*** to display around the school. All entries must be hand drawn and include the following information: Spanish Club on Tuesdays at Lunchtime 11.10-11.40pm. Be as creative as you wish with the design and please submit it to Señora Mason before Week 8. ***Gracias!***

## INSIGHTS

# Why validation is the best parenting skill of all

At a time when the mental health and wellbeing of children and teenagers is firmly in the spotlight, validation is an essential parenting skill.

When a child or teen comes to you when they are struggling emotionally, they want you to understand their dilemma. They don't want to be dismissed or told to 'get over it'. They generally want someone to acknowledge that their concern is real with comments such as:

*"I see you're worried about going to camp. I can understand that."*

*"Thanks for telling about the scary monsters in your bedroom. Let's see what we can do about them." "I'd be afraid too if I was le alone on my own for that long."*

### Validation of a child's struggles helps them

Validating a child's struggles helps in a number of ways. It works to:

#### **Build deep connection**

Relationships built at the time of vulnerability go deep and are hard to break.

#### **Promote a child's wellbeing**

Validation helps kids feel safe, which is what 'worry warts' and anxious kids want. Lack of understanding rather than fear itself often impacts negatively on a child's happiness.

#### **Overcome disappointment and build resilience**

Validation encourages kids to give voice to their concern or disappointment and either takes steps to rectify it or move on.

#### **Develop emotional intelligence**

Parental validation models emotional intelligence for children and teens. It requires you to identify the emotions that may be behind their language or behaviour.

#### **Encourage empathy**

Validation requires you to stop, listen and get on the same wavelength as your child.

### Four steps to validating your child's emotions

Follow these steps when your child comes to you with their worries or concerns to make sure they feel understood.

#### **Attend**

Stop what you are doing and give your child full attention.

# parenting \* ideas

## Observe

Listen with your eyes as well as your ears.

## Reflect back their worries

Get down to their eye level if necessary, saying something like, "I see you're really concerned about this."

## Touch

If appropriate, gently touch their shoulder or give them a hug when you speak to them. This will help them feel safe and comforted.

There's no better feeling for a child or teen who is struggling than knowing someone they value truly understands them.

Organise a variety of social and community events to help build the school community and relationships at our school (for example Barefoot Bowls, Christmas Picnic, Twilight Sports BBQ, Trivia Night, Mother's Day Stall, Father's Day breakfast).

Organise fundraising events and activities to raise important funds for our school (for example previously we have had the Colour Run, Easter Raffle, Fete).

### Program Update – 5<sup>th</sup> March 2020

**OSHC program phone: 0413 227 071**

Dear Parents,

#### **Labour Day Public Holiday- Monday 9th March**

As this is a public holiday, OSHClub will not be operating on this day (the school will also be closed).

#### **Vacation Care Programs now open!**

is the time to begin thinking about the vacation care options you have available to you. Although we do offer a vacation care program here at Laburnum you don't have to bring your child here- we have over 40 all across Melbourne!

By utilising an OSHClub vacation care program, you are ensuring that your child has a great day as they explore different themes! Enrolling your child into a VAC program also means consistent routines and expectations to help your child settle in, and less paperwork for you to handle as your child is already enrolled with OSHClub. You will need to complete a new enrolment if you want to attend a different school, however I am available to assist you with this process. I also have fact sheets available in the OSHC room and school office. Otherwise you can book normally, by logging into your iParent Portal account.

#### **VAC Cancellation Policy**

7 days' notice is required for cancellation of a Vacation Care booking to ensure you will not incur out of pocket costs. Cancellations can be made by the following means:

- Online- logging into your account at [www.oshclub.com.au](http://www.oshclub.com.au)
- Phone- contacting the Customer Service and Billing Team on 1300 395 735
- Text- SMS to the Coordinator of the program including your child's name, and the session (BSC/ ASC) and date you wish to cancel

#### **\*\*Student Free Day is running!!\*\***

I can confirm that this day had enough bookings to run. Thank-you to those families who have booked their child in so promptly. Here are some facts about how the day will run:

**Times:** 7am – 6:00pm (you may attend anytime between these times)

**Cost:** Up to \$49.40 per child (depending on CCS entitlements)

**How to Book:** Please log into your account online at [www.oshclub.com.au](http://www.oshclub.com.au) and book in under the After School Care bookings tab. To book, please contact us directly on 0413 227 071.

**What happens:** Loads of fun for all ages including art/craft, games, sports, drama, board games and fun with friends.

**What to bring:** Morning tea, lunch and afternoon tea. School uniform is not required.

#### **Technology and Laptops at OSHClub**

Since the beginning of 2019, we have restricted the use of laptops by children at OSHClub to better support their development. This means that children will not be permitted to access their computers (or other electronic devices) whilst they are in our care. The goal of this is to ensure children have more opportunities to participate in group games and activities, which will further promote the importance of physical, social and emotional wellbeing.

### Program Update – 5<sup>th</sup> March 2020

**OSHC program phone: 0413 227 071**

If your child has homework to complete, they will be able to use their computer as long as they have a signed technology agreement (signed by both parent and child) and can show evidence of what their homework is (so we can support their learning).

### **Our Menu for next week!**

Fresh fruit and vegetables are always available. For ASC we serve this on a platter (in addition to the menu items below).

	Monday	Tuesday	Wednesday	Thursday	Friday
BSC			Waffles	TBC**	
ASC Main		Pasta Bake	Burritos	Pasta with homemade basil pesto	Fried rice with vegetables
ASC 5:15pm Snack		Rice cakes with spreads	Brown rice crackers with dip	Salada Biscuits	Ritz Biscuits

\*\*TBC- At OSHClub our menu ideas are flexible, incorporating child choice. We have yet to confirm the 'TBC' options above, though we can guarantee it will be healthy and delicious!

Left: An afternoon spent outside experimenting with the scents and flavours of nature around us!

Right: One of the most popular activities is Lego, of which we have an extensive collection. Pictured is Caterina's house!

### Parent Information

All children **must** be enrolled to attend the program, remember this is **free**!! Please create an account online at [www.oshclub.com.au](http://www.oshclub.com.au) (where you will be directed to the kidsoft page).

All bookings and cancellations can also be managed via your online account. For on the day bookings, please contact the coordinator directly at the program.
